

Product overview (DNV)

Equipment for installation on all ships classified by DNV

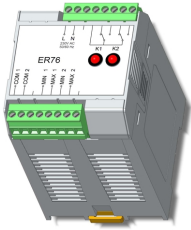

Differential pressure

Products	Designation
	DE28 Differential pressure transmitter with inductive transducer DNV certificate no. TAA00000X8
	DS11 Differential pressure transmitter with diaphragm measuring unit DNV certificate no. TAA00002BW
	DS21 Differential pressure measuring and switching device with diaphragm measuring unit DNV certificate no. TAA00002BW

Filling level

Products Designation

ER76 **Control relay for level sensors**
for conductive media
DNV certificate no. TAA00001ZU

NK06 **Conductive level sensor**
without electronic equipment
DNV certificate no. TAA00002BV

NK08 **Level sensor**
without electronic equipment
DNV certificate no. TAA00001ZT

NK10 **Fill level limiter**
With float switch
DNV certificate no. TAA000020S
